Swimming Carnival & Championships 2010

This year we trialled a swimming carnival for year 7-9 students alongside our traditional swimming championships for all students.

Our championship swimmers continue to impress with their organisation and ability and it is a tribute to the depth of ability within the college that records continue to fall each year.

The Middle School swimming carnival was also a tremendous success with 98% of non-competitive swimmers taking part. It was great to see the activity and enjoyment that was so obvious.

Thanks to parents, staff and students for your involvement and comments on how the two events ran. We include these in our review of activities.

Congratulations to all students who participated and to the winners of each category.

Bereavement

Please remember the **Venter family** and the **family of Felicity Goodwin-Spencer** in your prayers over the coming weeks. Mrs Venter, who lives in South Africa, passed away after a brief illness. The loss was made all the harder for the family in Gisborne due to the geographic isolation. Her funeral was held last week.

Felicity Goodwin-Spencer's mother also passed away recently after a lengthy illness. Her funeral was held at the beginning of this week.

Eternal rest grant to them, O Lord, And let perpetual light shine upon them.

May they rest in peace. Amen.
